

West Yorkshire League and Cup 2019 – Heckmondwike do the double.

First season with 6 teams went well. New kids on the block Wetherby performed well; Harrogate slipped from 3rd place last year and Huddersfield bounced back from last place last year to challenge for the title as 4 teams raced away. In the end it was matches in hand that were rearranged post season that decided it.

The cup was also played and Harrogate and Heckmondwike played the final in Leeds at the end of August. It was closer than the 4-1 scoreline suggests.

Ladies triples was 13-8 to Heckmondwike but the Mens Triples was long and close game which ended 13-11 to Heckmondwike. The first mixed pair went Harrogate's way to start was they won the first 8 points but it ended 13-10 to Heckmondwike. Another was 13-9 to Heckmondwike but Harrogate won the last one in fading light 13-4. The whole final took nearly 3 hours and it was night time when we all went inside the Leeds Clubhouse for supper and the presentations.

It was Harrogate's second appearance in a final in 2 years. Maybe next year with all the experience they'll go one better. Both competitions will run again next year after Easter.
