

Huddersfield Petanque Club Info - 2022

1. Our primary way of communicating is email and website.

Follow our website at <http://huddersfieldpetanque.wordpress.com> and every time we update our website you'll receive an email.

Each month we send an email called **A Month in Petanque (AMiP)** to all members reminding you of upcoming events and news items.

We have a Facebook page. Search for Huddersfield Petanque

2. Dates & times of meetings

We have social play on Sunday, Tuesday and Thursday at 1:00pm which usually lasts 3 hours. We have spare boules if you don't have a set. Members may also use the terrain at any other time and members of the public sometimes play. A few times a year we put on a Boule School where we teach new members the rules and the basic techniques to improve their game.

3. Our playing Calendar

In addition to the social play above we hold special events & social events. These are listed on the website and in the clubhouse. There is a regular first Sunday of the month melee. We also play in local leagues and regional, national and international events. There are regular Open events with an entry fee and cash prizes.

4. Clothing with club logo

We have a range of kit available for purchase. Full details and an order form and price list are displayed in the club house. When we play against other clubs we like to play in coordinated club colours.

5. Buying boules

The club can lend you boules to start. These will be old leisure style boules. Sooner or later you will want to buy your own Competition boule. There is an information leaflet in the club house. Seek advice from experienced players before buying.

6. The Committee.

Paul (Chair), Roy (Secretary), Robin (Treasurer), Jan and Christine. We also have an active Social Committee who organise events both at and away from the club.

Any member can join the committee and/or have their say at an annual meeting usually in April where accounts are presented and the year is reviewed.
