

## Huddersfield Pétanque Club Privacy Policy

1. We collect your contact details when you join the club and we use it to administer your membership. We collect first name, family name, address, home phone and mobile phone, date of birth and email address.
2. We pass your name only to Yorkshire Pétanque, our regional body, so you can be listed on their regional database and enter regional competitions online.
3. We may post your image and first name only on our media channels but only with your consent. If you do not wish this to happen please tell us (or step away) at the time a photograph is suggested or lodge a written objection with the club.
4. We only use your email to keep you informed about club matters. We will not use it for marketing any non pétanque related products.
5. We will not pass your personal data to any other person or organisation unless it is required by law.
6. HPC is not registered with the regulator for personal data (the ICO) as it is exempt by only processing data for a non-profit function.
