

HUDDERSFIELD PETANQUE CLUB

Corporate Events

Pétanque

An enjoyable social event for your organisation at a reasonable cost that everyone can enjoy held at Huddersfield Petanque Club

You've heard of it and may have seen it abroad on holiday in France or Spain. Now you can play it here in Greenhead Park Huddersfield.

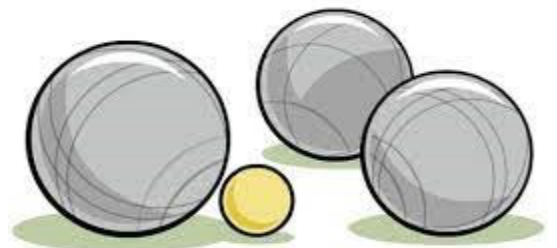

We have a playing area that can take up to 15 games at a time offering one of the largest club playing terrains in the North of England. The club meets on a regular basis & has over 90 members. Our facilitators are able to host an all-day or half day/early evening event for your organisation

We supply all the equipment and teach you the basic rules, advise on tactics and strategy and run a short tournament for the players with scorekeeping and winner's medal presentation.

For an all-day event we can do tea & coffee but you will need to provide a lunch. (We have no catering facilities on site but there is a nearby cafe which can be utilised during normal opening hours).

The cost is just the price of each player's daily membership of £4.50 per session plus a Group booking fee of £10 and that's it. A cost effective activity available for everyone who will benefit from a team building session or a motivational fun break.
